Except for the first class of the day in each ring, all start times are approximate. Dogs in the Preferred program will run after dogs in the “A” classes in their corresponding jump height.

**HELPING OUT:** In order for the trial to move smoothly we will need to have everybody pitch in to help. If you can sign up ahead of time worker signup links are available below. If you want to help but don't know what to do let us know and we can help you learn something new!

**MEASUREMENT:** If you do not have a height card, your dog will need to be measured by the judge for the trial. We don't have a VMO scheduled at this trial.

**PARKING:** Please pay attention for signs about parking locations, and try to be frugal with your space.

**CRATING:** Crating is available in the crating room in the building (the leftmost door as you face the building). Please do not crate in the large room with the agility ring.

You will be able to set up crating during the performance dinner on Saturday.

**FOOD:** Lunch will be available on site for purchase. Food and drink will be provided for workers.

**SITE INFORMATION:** As always, clean up after your dog, even out in the fields. Do not let your dog urinate on the building or on the outside garbage cans. Remember that hotels are considered by the AKC to be part of the trial site, so exhibitors observed not picking up or causing disturbances at the hotels may face AKC sanctions. We'd like to be able to keep using these hotels for dog shows, so please continue to be exemplary dog owners.
