Welcome to Collie Club of America National Specialty Herding Test and Trial!

Lunch break at judge's discretion.

The building opens at 6:30 a.m. each day. Judging starts at 8:00 a.m.

JUDGING: Please note that judging of B course duck classes will run concurrently with judging for the A course sheep classes. This schedule should minimize ring conflicts; judges may move dogs in the run order to accommodate conflicts if necessary.

On Friday, A sheep will take priority over B ducks.

Per AKC rules, judges have the authority to refuse to judge any dog which does not appear within five minutes of being called for its run.

HELPING OUT: Due to the unplanned large number of classes in one arena, we will need assistance in moving panels between classes. We would like to ask that any exhibitor willing and able to help move panels, please jump in when the call goes out for assistance.

Worker signups are available for timer and scribe positions as well:

Friday <https://www.wejoinin.com/sheets/wwuxk> Saturday <https://www.wejoinin.com/sheets/upwjf>

PARKING: Please pay attention for signs about parking locations, and try to be frugal with your space.

CRATING: Crating is available in the crating room in the building (the leftmost door as you face the building). Please do not crate in the large room with the agility ring. No setup on Thursday night.

FOOD: Lunch will be available on site for purchase for \$5 each day. Food and drink will be provided for workers.

SITE INFORMATION: As always, clean up after your dog. Do not let your dog urinate on the building or on the outside garbage cans. Remember that hotels are considered by the AKC to be part of the trial site, so exhibitors observed not picking up or causing disturbances at the hotels may face AKC sanctions. We'd like to be able to keep using these hotels for dog shows, so please continue to be exemplary dog owners.
