Collie Club of America National Specialty Scentwork Judging Schedule

Building opens at 6:00 a.m. Crating in the Obedience/Rally space. Judging is in rooms 135 & 136.

We will work around ring conflicts with conformation as best as we can. Please let us know as soon as possible of potential conflicts.

At each level we will be running the Container and Buried entries for each dog back to back. Any dog entered in both elements at the same level will go straight from their Container search to their Buried search unless the handler thinks the dog needs a break.
