

Havanese Club of America
National Specialty
AKC Agility Trial
August 11, 2015

Thank you for entering the Havanese Club of America National Specialty agility trial. This trial is being held in the ballroom at the Westin Lombard Yorktown Center, 70 Yorktown Shopping Center, Lombard, IL 60148.

Food will not be provided; there will be a hospitality room in the morning and food may be purchased at the hotel.

RVs may be parked for the day in the general parking lot. Overnight parking must be reserved in advance; please see the national show premium available at <http://www.foytrentdogshows.com/> for details.

Crating is allowed inside the building, but no flexi-leads.

PLEASE PICK UP AFTER YOUR DOGS! Potty areas will be clearly marked. Anyone caught not picking up after their dog(s) will be asked to leave without a refund.

Ballroom opens at 6:00 a.m.

Setup for the trial is at 5pm on Monday night, August 10, 2015. You can set up your crating at that time; please join us in helping to set up the trial.

Please review your enclosed entry information. If there are any errors or problems, please email the trial secretary at secretary@livetrial.net (preferred) or phone (630) 790-8426. Dogs in the Master or B classes will run first, followed by dogs in the Excellent or A classes for each jump height. Dogs in the Preferred program will run after dogs in the Excellent or A classes in their corresponding jump height.

If you did not request measurement on your entry form, your armband will be available for pickup, along with course maps for the day. If you did request measurement, you will need to have your dog measured by judge Lisa Potts, who is an AKC Volunteer Measuring Official, and then come to the score table to pick up your armband. If you run and are not measured the AKC will remove any legs you may have earned at the trial. If you have received a valid temporary or permanent height card since sending in your entry (i.e. your confirmation still shows "measure"), please let me know so I may mark the database properly and have your armband available in the self-check-in area.

Directions to the site are as follows:
