## AKC Agility Trial

June 18- 20, 2021

### **WELCOME**

Welcome to the Illiana June trial! We hope you all have a great time.

The building opens at **7:00 a.m.** on Friday and **6:00 a.m.** on Saturday and Sunday. Judging begins at **9:00 a.m.** on Friday **and 8:00 a.m.** on Saturday and Sunday. The building will not be available for Thursday setup.

Please review your enclosed entry information. If there are any errors or problems, email the trial secretary at [secretary@livetrial.net](mailto:secretary@livetrial.net) (preferred) or phone (630) 456-0097. Except for the first class of the day in each ring, all start times are approximate. Dogs in the "B" / Master classes will run first, followed by dogs in the "A" / Excellent classes for each jump height. Dogs in the Preferred program will run after dogs in the "A" / Excellent classes in their corresponding jump height. Walk-throughs will be split according to the schedule on the judging program.

**MASKS:** Per site rules masks are required at all times in the building.

**CRATING:** No inside crating for exhibitors is allowed at this trial.

**CHAIRS:** No exhibitor chairs are allowed in the building for this trial.

**MEASUREMENT:** If you do not have a height card, your dog will need to be measured by judge and VMO Joan Mullen. If you run and are not measured the AKC will remove any legs you may have earned this weekend.

**SITE INFORMATION:** As always, clean up after your dog, even out in the fields. Do not let your dog urinate on the building or on the outside garbage cans. Remember that hotels are considered by the AKC to be part of the trial site, so exhibitors observed not picking up or causing disturbances at the hotels may face AKC sanctions. We'd like to be able to keep using these hotels for dog shows, so please continue to be exemplary dog owners.

**FOOD:** No food will be available for purchase on site.

**WORKERS:** If you would like to sign up to work you can find the signups at <https://rdolson.org/ICF>

**ONLINE TRIAL INFORMATION:** We will be using Agility Gate and (most likely) online score reporting. Please pay attention to signage at the site and to the website <https://rdolson.org/ICF>. Agility Gate instructions are available at that link as well. We will be distributing the access code later this week via email to all exhibitors; it will also be available at the trial site.

**PLEASE NOTE:** It appears that we have an upper respiratory bug traveling through the agility circle. Please be aware and make appropriate decisions to help improve everyone's odds of staying healthy. Since you may not know if your dog is infected until several days after it has been shedding think about minimizing contact with your doggy friends for a couple of weeks. Just use the same logic that has kept us safe this past year.

If your dog is sick or other dogs in the household are sick with this bug, please let me know. For these dogs we are waiving the necessity for a vet note for a partial refund of entry fees per the injured-dog policy stated in the trial premium.
