AKC Agility Trial

June 16 – 18, 2023

WELCOME

Welcome to the Illiana June trial! We hope you all have a great time.

The building opens at **7:30 a.m.** on Friday and **6:30 a.m.** on Saturday and Sunday. Judging begins at **9:00 a.m.** on Friday **and 8:00 a.m.** on Saturday and Sunday. The building will not be available for Thursday setup.

Please review your enclosed entry information. If there are any errors or problems, email the trial secretary at secretary@livetrial.net (preferred) or phone (815) 242-5483. Except for the first class of the day in each ring, all start times are approximate. Dogs in the “B” / Master classes will run first, followed by dogs in the “A” / Excellent classes for each jump height. Dogs in the Preferred program will run after dogs in the “A” / Excellent classes in their corresponding jump height. Walk-throughs will be split according to the schedule on the judging program.

MEASUREMENT: Judge Katherine Rudolph is a VMO; Jean Munger will also be measuring on Friday.

SITE INFORMATION: As always, clean up after your dog, even out in the fields. Do not let your dog urinate on the building or on the outside garbage cans. Please keep your dogs away from the livestock (the donkeys are flock guardians and will not be pleased to see your dog up close).

Remember that hotels are considered by the AKC to be part of the trial site, so exhibitors observed not picking up or causing disturbances at the hotels may face AKC sanctions. We'd like to be able to keep using these hotels for dog shows, so please continue to be exemplary dog owners.

FOOD: No food will be available for purchase on site.

WORKERS: If you would like to sign up to work you will be able to find the signups at <https://rdolson.org/ICF> on Saturday June 10.

ONLINE TRIAL INFORMATION: We will be using Agility Gate and online score reporting. Please pay attention to signage at the site and to the website <https://rdolson.org/ICF>. Agility Gate instructions are available at that link as well. We will be distributing the access code later this week via email to all exhibitors; it will also be available at the trial site.
