WELCOME

Welcome to the PWDCA National Specialty Agility Trial! We hope you all have a great time. Please review your enclosed entry information. Except for the first class of the day in each ring, all start times are approximate. Dogs in the "B" classes will run first, followed by dogs in the "A" classes for each jump height. Dogs in the Preferred program will run after dogs in the Regular classes in their corresponding jump height except for the FAST classes in which they will run before the Regular dogs. Walk-throughs will be split at the discretion of the judges.

ARMBANDS: If you did not note on your entry that you need to be measured, your armband will be available along with course maps and running orders for the day. Otherwise, you will need to come to the score table for your armbands. If you need to be measured, both judges for this trial are VMOs.
