AKC Agility Trial

September 28 – 29, 2013

WELCOME!

Welcome to the September Stone City agility trial!
We hope you all have a great time.

All weekend, the building opens at **6:30 a.m.** and judging commences at **8:00 a.m.** No flexi leads in the building. Crating space is limited so please be considerate of other exhibitors. Please place a mat under your crate.

Please review your enclosed entry information. If there are any errors or problems, email the trial secretary at secretary@livetrial.net (preferred) or phone (630) 790-8426. Except for the first class of the day, all start times are approximate. Dogs in the Master class will run before dogs in the Excellent class and dogs in the Novice B class will run before dogs in the Novice A class for each jump height. Dogs in the Preferred program will run after dogs in the Regular classes in their corresponding jump height. Walk-throughs will be split at the discretion of the judges.

Pre-trial move-ups must be received not later than 6:00 pm on Monday, September 23, 2013. Day to day move-ups must be made by the close of Saturday's trial for the Sunday trial. Close of the trial will be considered when the ribbons have been awarded for the last class of the day. There are Wait Lists for both Saturday and Sunday trials for openings created by withdrawn entries after the trial's closing date/time. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for that day's withdrawn entry. Any wait listed entry that does not move off the wait list into the trial by 6:00 p.m. on Monday, September 23, 2013 will not be charged.

ARMBANDS: Unless you noted that your dog needs to be measured you may pick up your armband at the check-in table along with the course maps for the day (please do not take maps for classes your dog is not entered in). Otherwise you will need to come to the scorettable to pick up your armband after being measured. We do not currently have a VMO scheduled so if you do not have a permanent height card you will need to be measured by one of our judges.

WORKERS: We wish to thank all of our exhibitors who have volunteered to work at the trial. If you have signed up to work, a worker schedule will be posted. Please double check the posted schedules when you arrive at the trial for your assignments; check in with the worker coordinator (Missy Bortles, jeffmissy1@comcast.net) before the start of the class you are assigned to work in. If you have any conflicts between working and running be sure to let her know – she will work it out with you. Workers will be provided morning refreshments and lunch.

FOOD: Food will be not available for purchase on site. There are several fast food restaurants near the trial site
