## THE LOIS RUSSELL PERPETUAL REMEMBRANCE

The Collie Club of Connecticut and the Hartford-Springfield Collie Club offer The Lois Russell Perpetual Remembrance to honor a gracious lady in the sport of herding with our beloved breed, the Collie. Lois Russell was instrumental in her efforts resulting in AKC and CCA adopting herding as an event to restore our breed's working heritage. Also, the Collie Club of Connecticut and the Hartford-Springfield Collie Club wish to pay tribute to Lois' ten years of service as Connecticut's District Director.

The annual winner will receive a copy of the bronze composite relief casting of the herding scene mounted on the side of The Lois Russell Perpetual Remembrance to be provided by the Collie Club of Connecticut and the Hartford-Springfield Collie Club.

The winner must be a CCA member owning the Highest Scoring Collie with a qualifying score on sheep from Course A class at the national herding trial. In years with multiple trials there will be only one composite relief casting awarded. In the event of a multiple-trial event creating a tie or a one-day event with tie score classes, the winner is to be determined by AKC Herding Regulations, Chapter 4, Section 9, "Ties".

## Non-regular class: Pre-Started Sheep A Course

Offered only on Saturday, March 7, 2015.

### Pre-Started A

This is a non-titling class, open to collies who have not, at the time of the show's closing, obtained a qualifying score on an AKC A Sheep course. **The class will be run on the AKC Started A course using the AKC Started A rules, except for the following modifications.** Except for the modifications noted here, the judge will score each run in the same manner as Started A, and all AKC rules will apply. The class will be run after both A and B sheep are completed for the day and may be either sheep or goats. However, the entire class will be run on one stock or the other and will not be mixed either by set or by run.

The stock will be set in the same location as for the A course runs.

However, while the dog must start at the B cone, handlers may position themselves anywhere on course prior to sending the dog. (Consistent with the AKC rules for the Pretrial class, the dog must demonstrate a controlled pause before the handler sends it.)

Handlers may move freely about the arena at any time; stock need not cross the A cone line before handlers may move beyond it.

Handlers may take dogs to the starting point on-leash and may keep the dog on leash until the stock are set in the arena.

After the dog has gathered the stock, the handler will drive or fetch the stock to the C cone in as efficient a manner as possible and will then continue along the course in the same manner as for Started A.

The handler may walk through the Y-chute and the runway panel, but may not walk through the Z-chute.

At the repen, the handler need not demonstrate a hold at the gate, but may repen the stock in the same manner as is permissible under the AKC rules for the Pretrial class.

After closing the repen gate, the handler may put the dog on-leash at any time or location in the arena.

Since this is a non-titling, non-regular class, there is no minimum "qualifying" score. However, no score will be awarded if the handler calls time prior to completing the run or if the judge removes or excuses the dog. Placements will be awarded for first through fifth place based on score, with ties broken by the score on the cross-drive, followed by time.

Please note: Scores from this class do **not** count towards the Most Versatile Collie award.
