COLLIE HIT AGILITY DOG - AWARD SELECTION PROCESS

CCA shall offer one High in Trial (HIT) agility award in the Regular classes and one HIT award in the Preferred classes each day at the National Specialty.

For the Regular Class HIT, only qualifying scores from the Regular Standard and Jumpers with Weaves (JWW) classes count towards HIT.

For the Preferred Class HIT, only qualifying scores from the Preferred Standard and Jumpers with Weaves (JWW) classes count towards HIT.

The FAST and T2B classes do not count towards HIT.

For purposes of the HIT award, a "double Q" is defined as qualifying in both Standard and JWW, any level, or a combination of levels, on a single day of the agility trial.

Classes are weighted as follows:

- Novice classes receive 90% of their score
- Open classes receive 95%, and
- Excellent/Master classes receive 100%.

Additionally, collies receive one point for each full second under standard course time (SCT).

The HIT award is calculated by adding the weighted score of each of a collie's qualifying runs (Standard and JWW) plus one point for each full second under standard course time (SCT). The collie with the highest total score under this formula wins the HIT award.

If no collie earns a "double Q," then the HIT award will be determined by calculating only the weighted score for Standard runs plus one point for each full second under SCT for the Standard run.

In the event of a tie, the tie will be broken by calculating the seconds under course time including the fraction of a second, instead of a full second. For example: SCT = 65 seconds. Dogs time = 44.35 seconds. Time under SCT including fraction is $65 - 44.35 = 20.65$ seconds.

A MACH / PACH bar and rosette will be provided for dogs earning these respective titles at the show. Please contact Robert Olson at secretary@livetrial.net if you think you may complete one of these titles at the show.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

MOST VERSATILE COLLIE IN THE 2024 NATIONAL SPECIALTY SHOW

To be eligible for this award a Collie must participate in at least three of the four AKC events offered by the CCA (Breed, Obedience/ Rally, Agility or Herding). Sign up for the award at any performance event. You must sign up for the award to be eligible, and signup sheets must be turned in to Beth Elliott by the end of the agility trial. The detailed rules for determining the winner from the Collies that qualify for the award are given below. Note that weighting factors are used in each of the performance events to recognize the increased difficulty of the higher level classes. In the Non-Best of Variety classes, points are awarded based on the number of dogs defeated in the class. All scores will be recorded from the posted Judge's sheets. Beth Elliott will maintain the official scores at this show. The award presentations will be announced on Saturday, April 6, 2024 in the main conformation ring (Time TBA).

Trophy: CCA Loving Cup and Framed print, artist Gwen Grinder from the estate of Carmen Leonard, though the Collie Health Foundation.

MOST VERSATILE COLLIE IN SHOW 2024

To be eligible for this award, your Collie needs a qualifying score in at least three of the four AKC events at the National Specialty. A Collie that receives MVC points in Breed is considered to have received a qualifying score in that event. Only one score will be counted for each event. The Collie obtaining the highest point total will win the award. The following scoring system will apply:

Breed:

- All Collies that are a conformation champion or have at least 5 championship points will receive a minimum of 40 MVC points for entering and showing in a conformation class at the CCA National.
- Collies with less than 5 Championship points will not automatically receive any MVC points for showing in a conformation class. Points will only be awarded for placing in a class and defeating competition.
- Since this is an individual award, Brace Class performance do not count. No points will be awarded to Collies entering a conformation class and not showing (i.e. marked absent).
- In the BOV class and Winners competition, points will be awarded as follows:
 - Making no cuts: 40 points
 - Making first cut: 50 points
 - Making second cut: 60 points
 - Making third cut: 70 points
 - Awards of Merit: 80 points
 - Select Dog or Bitch 85 points
 - Reserve Winners: 75 points
 - Winners: 80 points
 - Best of Winners: 85 points
 - BOS to BOV: 90 points
 - Best of Variety: 100 points

- In all other conformation classes, points will be awarded based on the number of dogs defeated in that class as follows:
 - No placement: 40 points for Conformation Champions and Collies with 5 or more CH points, 0 points for Collies with fewer than 5 CH points
 - Placements: Two (2) additional MVC points are awarded for every dog defeated in the class up to a maximum total number of 70 MVC points. (Collies with less than 5 CH points will also receive the base 40 MVC points for placing and defeating dogs in a class.)

Herding Test and Trial: (No points are awarded for Herding Instinct or Exhibition Only entries)

- Herding Tested Class: Passing: 50 points
- Pre-Trial Tested Class: Passing: 50 points

Entering For Exhibition Only (FEO)

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.
