## AKC Agility Trial

### October 15 – 16, 2022

#### **WELCOME**

Welcome to the GABOC October trials! We hope you all have a great time.

The building opens at **6:30 a.m.** each day. See the judging schedule for the start time for your classes.

#### **No setup on Thursday night.**

Please review your enclosed entry information. If there are any errors or problems, please email the trial secretary at [secretary@livetrial.net](mailto:secretary@livetrial.net) (preferred) or phone (815) 242-5483. Except for the first class of the day in each ring, all start times are approximate. Dogs in the “B” or “Master” classes will run first, followed by dogs in the “A” or “Excellent” classes for each jump height. Dogs in the Preferred program will run after dogs in the “A” classes in their corresponding jump height. Walk throughs will be split at the discretion of the judges.

**MEASUREMENT:** If you do not have a height card, your dog will need to be measured by judge Kathy Rudolph. If you run and are not measured the AKC may remove any legs you may have earned this weekend.

**FOOD:** Food will be *not* available for purchase on-site.

**CRATING:** Crating will be allowed in the crating area on the side of the building (not in the main room with the agility ring). Please take up as little space as possible as crating space is tight.

**SITE INFORMATION:** As always, clean up after your dog, even out in the fields. Do not let your dog urinate on the building or on the outside garbage cans. Remember that hotels are considered by the AKC to be part of the trial site, so exhibitors observed not picking up or causing disturbances at the hotels may face AKC sanctions. We’d like to be able to keep using these hotels for dog shows, so please continue to be exemplary dog owners.

**WORKERS:** If you’d like to sign up to work you can find the signups at <https://rdolson.org/GABOC> .

**ONLINE TRIAL INFORMATION:** We will be using Agility Gate and (most likely) online score reporting. Please pay attention to signage at the site and to the website <https://rdolson.org/GABOC>. Agility Gate instructions are available at the end of this document. We will be distributing the access code later this week via email to all exhibitors; it will also be available at the trial site.
