

Illiana Collie Fanciers AKC Agility Trial

November 24 – 26, 2017

WELCOME

Welcome to the Illiana Thanksgiving trial! We hope you all have a great time.

The building opens at **6:30 a.m.** each day. Judging begins at **9:00 a.m.** on Friday **and 8:00 a.m.** on Saturday and Sunday. The building will not be available for Thursday setup.

Please review your enclosed entry information. If there are any errors or problems, email the trial secretary at secretary@livetrial.net (preferred) or phone (630) 456-0097. Except for the first class of the day in each ring, all start times are approximate. Dogs in the “B” / Master classes will run first, followed by dogs in the “A” / Excellent classes for each jump height. Dogs in the Preferred program will run after dogs in the “A” / Excellent classes in their corresponding jump height. Walk-throughs will be split according to the schedule on the judging program.

SETUP: The club will be setting up the rings at 6:30 a.m. on Friday. Please do not set up crates until we have the rings set and the crating space cleared and marked. Any help you can give us in setting up would be hugely appreciated.

FACILITY: The facility will be open at 6:30 a.m. each day of the trial. Ample parking is available; RVs should park on the west side of the building. As always, clean up after your dog, even out in the fields. Do not let your dog urinate on the building or on the outside garbage cans. Remember that hotels are considered by the AKC to be part of the trial site, so exhibitors observed not picking up or causing disturbances at the hotels may face AKC sanctions. We'd like to be able to keep using these hotels for dog shows, so please continue to be exemplary dog owners.

ARMBANDS / MEASUREMENT: We will not be using armbands at this trial. If you need to be measured, VMO Jean Munger will be measuring. If you need to be measured but run and are not measured the AKC may remove any legs you may have earned this weekend.

WORKERS: See <http://rdolson.org/premiums/#icf> for the worker signups.
