Please DO NOT COME to our trial if you feel sick or if you have been exposed to COVID-19 in the last 14 days, DO NOT COME if you are concerned about being exposed to the Coronavirus. Please do not enter if you are not willing to follow the rules:

1. Masks are to be worn inside the building at all times, even when running your dog.
2. Crating will be alternated big dogs/little dogs to help keep our distance from each other.
3. Crating inside will be limited and exhibitors are encouraged to crate outside.
4. Lunch boxes to be used for workers and judges. These will be pre-ordered. Workers must work 4 or more classes to be eligible for a Lunch box. There will be no breakfast or snacks available at the trial, so plan accordingly.
5. NO MACH cakes or any community food allowed.
6. No chairs in front of ring to allow for movement to and from ring.

These rules are subject to change based on updated state and local COVID-19 guidelines as we get closer to the trial. You will receive updated information in your final confirmations.

## Volunteer Sign-up

### We need your help!

This trial will not go smoothly without everyone's help. Please consider volunteering to work. We will be using an online sign up, but due to the random draw entry method and the probability of a draw being required, we still need to know if you're willing to volunteer.

If you wish to volunteer, please mark the WORKER box on the entry form or write WORKER on the top if you are using a form from another source.

## NOTICE TO EXHIBITORS:

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made.

An exercise area will be provided. All handlers must pick up after their dogs. Anyone not cleaning up after his or her dog will be requested to leave the trial.

The owner/handler of each dog is solely responsible for having it ready at ringside when the class is to be judged. Please help your fellow competitors, the trial workers, and the judge by checking in with the gate steward well ahead of your run, and being prompt at the line when your turn comes to run. Conflicts between the rings should be discussed with the gate steward prior to the start of the class.

Dogs are not required to be at the trial until the scheduled time of judging, however handlers arriving after the scheduled course walk through for their class has taken place are not guaranteed a chance to walk the course. All dogs not needed for further judging are excused. The owner/handler is solely responsible for having it ready at ringside when the class is to be judged. Conflicts between rings should be discussed with the judge prior to the start of the class and the gate steward notified. All dogs must be on leash at all times except when in the ring or when in the designated warm-up areas. Exhibitors and spectators are expected to keep the show grounds clean. Please pick up after your dogs. Anyone witnessed not picking up after their dog will be excused from the trial weekend with no monies refunded.

This club does not agree to arbitrate claims as set forth on the official AKC entry form for this event.

**MOVE-UP REGULATIONS:** Dogs may be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made in writing to the trial secretary only. Forms may be mailed to Robert Olson, 817 Ogden Ave. #3549, Lisle, IL 60532-8549 or emailed to secretary@livetrial.net. No phone move-ups.

Pretrial moveups (for either trial day) must be received by the trial secretary by 6:00 p.m. Monday, January 25, 2021. Day to day moveups are offered, and must be completed by the time the last ribbon is awarded on Saturday.

Dogs so moved up will be entered at the end of the running order, and every effort will be made to accommodate handlers running multiple dogs the same class. *A dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions: The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from a Novice "A" class to the Novice "B" class.*

Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Mixed breed dogs that have been listed with AKC Canine Partners may participate provided their listing number has been recorded on the entry form.

**SAFETY:** The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

**COURSE FAMILIARIZATION/OBSTACLES:** Handlers are permitted to walk the course, without a dog, prior to the start of the class. A walk-through period will be held prior to each class. The walk-through may be split at the judges' discretion. The judges briefing will outline the course and answer handler questions. Obstacles will meet the specifications for obstacles in the current edition of the regulations for Agility Trials. **There will be no contact familiarization for Novice dogs at any of these trials.**

**ELECTRONIC TIMERS:** GABOC will be using electronic timers in all rings.

Single copies of the latest edition of the rules may be obtained without charge from the AKC at 8051 Arco Corporate Drive, Raleigh, NC 27617-3390. Also available online at [www.akc.org](http://www.akc.org)

### Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

### Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.
