MEASURING AND JUMP HEIGHT CARD INFORMATION

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the Dogs To Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during the day of show check-in. However, it is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. Regulations for Agility Trials, Chapter 2, Section 4.

DOGS ELIGIBLE TO ENTER

This trial is open to all Nova Scotia Duck Tolling Retrievers of 15 months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners Listing number, or approved Foundation Stock Service (FSS) breeds. Dogs should be physically sound. Dogs that are blind shall not be eligible, nor will aggressive dogs, bitches in season, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

HEIGHT DIVISIONS

Owners are responsible for entering the proper height divisions. Handlers may opt to run in a higher height division in the Regular program, but not in a lower division than their proper height division. Handlers must run in their proper height division in the Preferred program.

Regular	Preferred	Height at Withers
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers.
		Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	N/A	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Dogs that run in a height division lower than their proper division will be eliminated

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

Entering For Exhibition Only (FEO)

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered at any level (Novice, Open Excellent or Masters) in FAST, JWW, Standard or Premier classes. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.
- Course time for FEO in Time 2 Beat, JWW, Standard, Premier and ISC will be 45 seconds. FAST courses times for each class/height are as noted in the Regulations

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone or need help, please call 800. 656.HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

ACCOMMODATIONS: PLEASE NOTE

The American Kennel Club and the NSDTRC-USA are serious about the need to preserve pet friendly hotels and areas for the future. If you are reported by a hotel for abusing your pet privileges, there may be a bench hearing and possible discipline if the hearing results in a determination you acted in a manner contrary to the best interests of the Sport. INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine PartnersSM** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
